

ARKANSAS EMERGENCY MANAGEMENT ASSOCIATION

Joe Halsey

Telecommunications & Service Award

The Joe Halsey Telecommunications and Service Award is an award presented to an individual for outstanding contributions to the field of Emergency Management. Nominations are being accepted for individuals that work directly for and/or with any level of local or state emergency management either paid or volunteer. Your nominee may be a County Judge, EMS, Fire, Law Enforcement, a Deputy, volunteer, Ham Radio Operator, GIS, etc. that you feel deserves recognition for their level of commitment in assisting emergency management to better protect the public.

The award is divided into two categories and you may apply under either. One applicant will be selected.

1. Technology and Communications
2. Service
